14+ years of putting the right people in the right roles

SRGC Groups is a consulting partner to businesses in India and around the world. We began by serving four core industries (architecture, civil engineering, construction and publishing) and have grown into a multi-sector consultancy that has delivered 6,000+ projects across 14+ industries.

We work as an extension of our clients' teams: we take the time to understand each business, advise on strategy, organisation and operations, and bring the specialist talent needed to deliver.

OUR MISSION

Make great talent easy to access

The expertise and people every organisation needs to grow with confidence.

OUR VISION

Engagement models that fit your business

MODEL 01

Consulting & Advisory

Our consultants work with your leadership on specific business challenges, from growth and workforce strategy to organisation design, process improvement and market entry.

MODEL 02

Dedicated Project Teams

A complete, managed team for a defined project, such as an AI data team, a construction site crew, a finance team or a publishing production unit.

MODEL 03

Contract Staffing

Skilled professionals join your team for as long as you need them and report to your managers, while SRGC handles their employment.

MODEL 04

Permanent Recruitment

We find, screen and shortlist the right candidates for permanent roles in your organisation, from specialists to leadership.

MODEL 05

Bulk & Volume Hiring

Large numbers of people, hired quickly and consistently, for expansions, new sites, projects or seasonal peaks.

Not sure which model fits?

Tell us your goals and we will recommend the right mix, often a combination of models.
